The supermini that wants you to go personal.

FUN TO OWN

With countless personalisation options, the MG3 is born to suit your style. Whether you've got a sunny disposition, an edgy outlook or a dark side, it's here to help you express yourself.

FUN TO DRIVE

The town is your playground thanks to the MG3's nippy handling and sporty 106PS engine. The MG3 has a **4E INSURANCE RATING** - less than half the rating of many other superminis.

FUN TO BUY

The MG3 is packed with awesome style and tech details and the most amazing thing is that you can personalise your car with extra features without maxing out your budget.

FOR OVER 90 YEARS

MG became world famous for building distinctive, British, small, fun cars at a remarkably affordable price. The MG3 is the small, modern MG that brings style and fun to a new generation.

GO INSID³

Fun on the outside, fun on the inside. Pop open the door and the MG3 gives you must-have technology, acres of space for five and a sporty driving position. Be at the heart of the action in total comfort.

GET GOING

Start up the sporty 106PS petrol engine with five-speed manual transmission and discover how the nippy, zippy MG3 will get you here, there and everywhere about town. Our clever engineers have also designed a special chassis to improve dynamics and make driving your MG3 more fun than the average small car.

TWO SID3S

The MG3 has two sides to its personality, which come together to create one unique car.

PERFECT SENSE

Amazing value

The head-turning price tag gets you oodles of features, practicality and clever safety stuff.

High spec throughout

Every MG3 is absolutely loaded with great spec. For example, LED daytime running lights and electronic hill hold are standard throughout, while all but the entry model are packing a DAB audio system.

Tons of space

Beneath the sporty exterior, you'll find one of the roomiest interiors in the supermini universe.

Safety sorted

You're well looked after, thanks to six airbags, electronic stability control, corner brake control and traction control as standard on all models.

THE FUN NEVER ENDS WITH CAREFREE DRIVING

You've got your MG3 exactly how you want it. Now call the shots when it comes to service plans and warranty packages.

MG CARE

Keep on driving with the ultimate carefree service package. With a new MG3 you needn't let the worry of unforeseen costs ruin the fun. For a cheeky, one-off payment, you can take advantage of MG CARE, which gives you three scheduled service checks for the first three years (or 30,000 miles). MG's authorised repairer network offers genuine parts, factory trained staff, and the peace of mind that your MG is in a safe pair of hands.

From oil changes, to the batteries in your key fob, MG CARE keeps your new car covered, and you on the road.

Speak to your dealer or visit
MG.CO.UK for more information.

UP TO 5 YEARS FLEXIBLE WARRANTY

Like everything else about the MG3, our warranty packages are a little bit special. Naturally, there's a three-year/60,000 mile cover as standard. But where others also offer longer warranties, then add the cost onto the overall price of the car, our Flexible Warranty lets you choose how much you extend your cover by for an additional cost when you buy your car.

Visit your local dealer for
more information.

MEET THE REST OF THE FAMILY

The MG3 has recently welcomed a new member to the MG family, the MG GS, our all-new SUV.

With its dynamic and sporty looks, the MG GS is inspired by the diversity of a modern family. It is an SUV that stands up to the challenges of every aspect of your weekly routine. Whether it's a weekend family adventure, a daily commute to work, or a trip to the shops, the MG GS can handle it.

The range starts at just £14,995, while the top-of-the-range model is still only £19,495 for the manual and £20,995 for the DCT automatic transmission.

Family fun and affordability don't often go hand-in-hand, but with the MG GS that's exactly what you get.

BE A PART OF THE FUTURE

Now you know all about the MG3, it's your turn to drive it. Book your test drive through your local Dealer or online at MG.CO.UK
